IMPORTANT-IMMEDIATE ACTION REQUESTED

RE: State of Michigan Department of Community Health Medicaid Program

Dear Client:

AccuMed Billing, Inc. has just received notification that the on-line re-enrollment process for the new Community Health Automated Processing System (CHAMPS) will be available starting March 31, 2008. This is a new on-line enrollment program for the Medicaid program and replaces paper enrollment and turnaround forms. All ambulance services will need to re-validate the information that Medicaid has on-file.

If you would like AccuMed to complete the re-validation process on your behalf, please complete the attached form and forward via fax to 734-479-6319-Attention: Jan Tjernlund. Please also keep a copy of the completed form for your records. If you want AccuMed to provide this service; please forward the recent letter (on **green paper**) that you may have received from the State of Michigan, Department of Community Health. Most of the forms came directly to our office and many of you have already faxed the form to AccuMed.

If you would like to complete this process on your own, go on-line to:

http://www.michigan.gov/mdch/0,1607,7-132-2945_5100-145006--,00.html

If you do not have your letter, call Jan Tjernlund at 800 926 6985 and she will fax you the letter with your ID number.

On the attached form please put the name of your department under entity and your Tax ID number. Sign under entity.

The State of Michigan has given no deadline for this re-validation process but we encourage you to respond promptly to avoid potential interruption in Medicaid payments.
